

How to find us ?

Arriving on foot:

From the station, take the main exit (staircase in the central hall), cross the station square alongside the "Heiliggeistkirche" church (on your left). Continue straight on, pass in front of the Loeb store and take Christoffelgasse. Our offices are at number 5.

Arriving by car:

Arriving from the North (Bienne, Soleure, Basle, Zurich) by A1 motorway

Take the Bern-Neufeld exit, stay in the left-hand lane and follow signs to Bern-Zentrum. Take the tunnel (Tiefenautunnel), then turn right onto Tiefenastrasse towards the city centre. At the end of the road, at the traffic lights, drive across the crossroads in the direction of Bahnhof Parking (parking area). Do not park in the short-term parking area reserved for rail users. Take the lift down to the station. From there, follow the route recommended for pedestrians (see above).

Arriving from the south

(Muri, Thun, Interlaken) by motorway (A1/A6):

Take the Bern-Ostring (A6) exit, follow Zentrum, via Ostring, then continue straight ahead on Thunstrasse. Cross Thunplatz, continue via Jungfraustrasse then Marienstrasse as far as Helvetiaplatz; turn right and cross the Kirchenfeldbrücke bridge. Caution: once on Casinoplatz, turn left twice, entering Münzgrabe to arrive in front of the Casino Parking entrance.

To get to us on foot from Casinoplatz, take Kochergasse on your left, go straight ahead along the federal square, then continue on Bundesgasse; take the second street on the right into Christoffelgasse. Our offices are at number 5.

Alternatively: since our offices are near the station (Bahnhof car park), route 1 (arriving from the north) is also recommended for persons arriving from the south.

Arriving from the west

(Neuchâtel, Bienne, Freiburg, Lausanne, Geneva) by motorway (A1/A12):

Take the Forsthaus (A1) exit, follow Murtenstrasse ('Bahnhof' direction), then continue onto its extension, Laupenstrasse, and finally turn left up Schanzenstrasse; the entrance to the Bahnhof car park is on your right. Do not park in the short-term parking area reserved for rail users. Take the lift down to the station. From there, follow the route recommended for pedestrians (see above).
